

Take an opportunity to honor an educator or a school employee who has made a difference in the life of a child with a "CARE" card. When you make a contribution to the Lebanon Educational Foundation in honor of an educator or school employee they will receive a Congratulating A amazing and Remarkable Educators card and note of appreciation.

The "CARE" card is a new program which lets educators and school employees know how much you appreciate their contribution to a student's education and the program benefits students who attend Lebanon schools at the same time.

This is a wonderful way to show your appreciation to a teacher, a coach, counselor, bus driver, school secretary, building assistant, food service employees or anyone who has made a difference for a child. Each individual honored will receive an acknowledgment card that carries your personal message and the honoree's name will appear in the Lebanon Educational Foundation's Annual Report.

100% of your tax-deductible gift will help support classroom grants to all schools within the Lebanon Community School Corporation.
